About Petsuper

PetSuper Founded

A team of engineers, pet lovers, and product innovators came together with one vision: to build a smarter, healthier future for pets through intelligent technology.

Recognized on the Global Stage

Earned international acclaim with both the iF Design Award and the Red Dot Award.

LitterGo Global Launch

Released the LitterGo smart litter box worldwide and reached over 500 units sold in the first week.

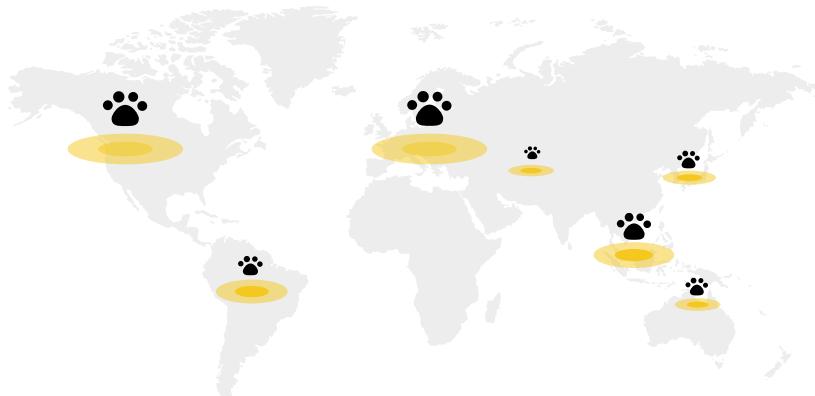

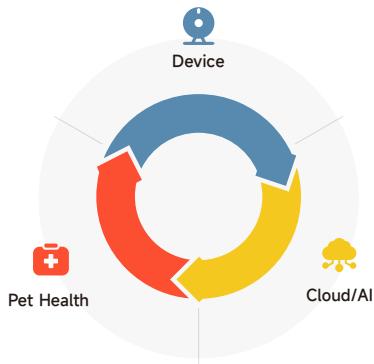

First Smart Series Introduced

Launched our Smart Feeder and Smart Water Dispenser, helping families build healthier daily routines for their pets.

Global Expansion & Breakthrough Innovation

Entered global markets with DryGo and the Wireless Fountain. Developed the world's first Auto-Locking Retractable Dog Leash System, enhancing pet safety.
